TEXAS WOMEN IN PEST MANAGEMENT

Friday, February 14, 2020 • 9:00am-3:15pm

Please join us for the first annual TPCA Texas Women in Pest Management Conference with industry speaker

Dr. Janis Reed as she delivers an impactful Keynote presentation

“Women in Pest Management: The Past, Present and Future”. TPCA is also proud to announce featured speakers Chelsea Kneeland, Patricia Shipton and Allison Cuellar as industry educators, leadership instructors, and sales coach experts all in this 1-day event. Whether you are a business owner, manager, technician, apprentice or office personnel, everyone is welcome to attend. We look forward to seeing you there.

Keynote – Dr. Janis Reed

This presentation examines the history of women in the workplace and in the pest management industry. Dr. Reed examines specific challenges faced by women from colleagues and customers; looks at ways to deal with successes and failures in positive, goal oriented ways; teaches tips to avoid dwelling on failure. The final part of the presentation is a brainstorming session on how to bring more women in to our industry.
